PROFILE - CHAPTER 11 BANKRUPTCY EXPERIENCE (INCLUDING MASS TORT)

As a sitting U.S. Bankruptcy Judge, I presided over and confirmed hundreds of chapter 11 plans of reorganization including more asbestos and mass tort chapter 11 plans, most that utilized § 524 and § 105 injunctions, than any other sitting judge. I presided over a broad range of bankruptcies that encompassed both large and small companies and hundreds of their affiliates. Among them were companies with mass tort legacy liabilities including Federal Mogul, Owens Corning, W.R. Grace, United States Minerals, USG, Armstrong World Industries, Kaiser Aluminum, AC&S, Combustion Engineering, AB Lummus Global, MidValley, Dresser Industries, Pittsburgh Corning, Swan Transportation, North American Refractories, Global Industrial Technologies, Specialty Products Holding Co., Flintkote and others. I have addressed the legal, business, insurance and financial issues and business practices confronting companies facing legacy asbestos claims. Since returning to private practice, I have served as an expert witness and as an advisor regarding the postconfirmation impact of certain plan or trust provisions on matters as diverse as contract or indemnity damages, settlement negotiation practices, malpractice claims, allocation of fees, restructuring, and insurance/reinsurance disputes. I have been deposed in several matters and have testified as an expert in the United States District Court for the Western District of PA, in the Court of Common Pleas of Allegheny County, Pennsylvania, and in an arbitration conducted in Dallas, Texas as well as in depositions in New York, Arizona, Texas and Pennsylvania.
